

## JOIN OUR TEAM

McNeill Baur PLLC is a nationally recognized biotech and pharma focused IP boutique firm that provides comprehensive life science patent prosecution and counseling services.

### **PASSION**

We love science and intellectual property.

### **PARTNERING**

We work with the best and brightest innovative clients at the cutting edge of biotechnology and chemistry.

### **EMPOWERING**

We will challenge your capabilities and celebrate your successes.

### **TRAINING**

We value professional development and peer support.

### **DEDICATED**

We place importance on the well-being of our team, their families, and supporting work-life balance through encouraging reasonable work hours and a remote work environment.

### **SUPPORTIVE**

We value diversity and inclusion.

"I joined McNeill Baur because of the opportunity to work on complex and interesting projects while maintaining a healthy work-life balance. It was a great decision and I am thrilled with how well it has worked out."

**PARTNER ADAM M. BREIER, PHD**

"McNeill Baur provides a level playing field where everyone can thrive. I work with highly competent attorneys and sophisticated clientele on cutting-edge technology. I also have ample time for my family."

**COUNSEL HOJUNG CHO, PHD**

"McNeill Baur allows me to engage in the types of sophisticated, challenging matters found at large law firms and still have time outside of work to enjoy my family, exercise, and life generally! Thanks to our distributed model, I also have a great deal of flexibility in terms of where I can live."

**ASSOCIATE LAUREN V. BLAKELY**
